

1. Access

We will continue refining the design as we move forward. Based on what you have learned today, do you think that the option as presented gets us in the right general direction to address...

- 6.5 30 A. Access to certain school rooms & areas can be made available for community uses outside of normal school hours
- 7.2 35 B. Adequate separation between community, high school and elementary school entrances

2. Safety

We will continue refining the design as we move forward. Based on what you have learned today, do you think that the option as presented gets us in the right general direction to address...

- avg. div. 7.9 32 A. Adequate separation of high school and elementary school
- 6.4 32 B. Adequate separation of public uses (community) and school uses (students & teachers) during school hours
- 6.0 49 C. Adequate visibility and control of outdoor spaces
- 6.4 45 D. Safe pedestrian and bicycle movements around the site?
- 6.6 60 E. School uses including play areas are separated adequately from San Pablo

3. Traffic & Parking

We will continue refining the design as we move forward. Based on what you have learned today, do you think that the option as presented gets us in the right general direction to address...

- avg. div. 5.1 42 A. Assuming the project adheres to the City's traffic and parking engineer's recommendations, adequate parking is provided for the ECCL – 70 on-site spaces & 150 adjacent on-street spaces for a total of 210 spaces
- 5.8 37 B. Bicycle parking is ample and well-located
- 6.2 37 C. The drop off areas along 47th street are adequate.
- 4.3 47 D. The drop off areas along 53rd street are adequate.

4. Landscape & Outdoor Spaces

We will continue refining the design as we move forward. Based on what you have learned today, do you think that the option as presented gets us in the right general direction to address...

- avg. div. 6.9 39 A. Adequate landscape and garden spaces can be accommodated in this design
- 6.5 53 B. It is not possible to uncover Temescal Creek, but a landscape that represents the creek is a good idea
- 6.4 34 C. Sidewalks and street edges feel comfortable and wide enough
- 7.3 32 D. The community commons is adequately sized and usable for casual enjoyment and community events
- 7.1 22 E. There are adequate active and passive areas for community uses
- 6.5 45 F. There is adequate play area for school uses
- 7.1 27 G. The sports fields feel like they are in the right location
- 6.0 62 H. The Temescal Creek Park is a good idea

5. Organization & Clarity of the Site

We will continue refining the design as we move forward. Based on what you have learned today, do you think that the option as presented gets us in the right general direction to address...

- avg. div. 7.5 26 A. Community service uses and access to programs for seniors are conveniently located along San Pablo
- 7.6 34 B. Main entrances from public ways are clear and easily recognizable
- 6.8 32 C. The placement of general building forms on the site feels right
- 7.0 46 D. The school and community library is in the right location
- 7.2 32 E. Walking distances between school and recreational uses are appropriate

1 - Lowest Level of Agreement

6. Being a Good Neighbor

Community Design Workshop 2 – 9.17.11

We will continue refining the design as we move forward. Based on what you have learned today, do you think that the option as presented gets us in the right general direction to address...

- 7.1 45 A. Building heights and shapes feel comfortable in relation to the surrounding neighborhood
6.9 31 B. Light spill from the ECCL can be shielded to not adversely impact neighboring residential areas
6.6 37 C. Noise spill from the ECCL can be minimized to not adversely impact neighboring residential areas
5.9 57 D. The bicycle pathway along the western edge of the site, as called for in the Emeryville General Plan, feels appropriately located
5.4 53 E. With appropriate incentives and access to public transportation, street parking spillover into neighboring residential areas can be mitigated

Participant Demographics

A. % - #	Gender
53 18	1. Female
41 14	2. Male
3 1	3. Intergender
0 0	4. Transgender
3 1	5. Prefer not to answer

B. Age

0 0	1. Under 18 yrs. old
11 4	2. 18 to 30
44 16	3. 31 to 50
31 11	4. 51 to 65
14 5	5. 66 to Wiser

C. % - # Race

0 0	1. American Indian & Alaska Native
14 5	2. Asian
19 7	3. Black or African American
0 0	4. Hispanic, Latino or Spanish origin
3 1	5. Native Hawaiian and Other Pacific Islander.
56 20	6. White
8 3	7. Multi-racial
0 0	8. Some other race
0 0	9. Prefer not to answer

D. I drink...

41 14	1. Coke (all versions)
12 6	2. Pepsi (all versions)
47 16	3. Neither

E. % - # I live in...

56 20	1. Emeryville
22 8	2. Oakland
22 8	3. Neither

F. Participation in the Community Design Workshops

50 18	1. I participated in Community Design Workshop 1
50 18	2. I did not participate in Community Design Workshop 1

G. % - # I have lived in Emeryville for...

17 6	1. 1-5 years
14 5	2. 6-10 years
17 6	3. 11-20 years
8 3	4. More than 20 years
6 2	5. I used to live in Emeryville
39 14	6. I don't live in Emeryville

H. I'd rather eat...

23 8	1. Beets
40 14	2. Broccoli
17 6	3. Brussels Sprouts
20 7	4. None of the Above

I. % - # To get around town, I mostly...

64 23	1. Drive (get a ride)
6 2	2. Bike
0 0	3. Take Public Transit
31 11	4. Walk

J. I am related to EUSD as a...

0 0	1. Family member
38 14	2. Parent
3 1	3. Student
16 6	4. Teacher
19 7	5. Volunteer
24 9	6. I have no connection to EUSD!

K. % - # I participate in the City programs (like yoga, swimming, summer program, ECDC, Senior Center, afterschool, sports leagues, outdoor concerts, etc.)

22 8	1. Never
24 9	2. Rarely
16 6	3. Sometimes
38 14	4. Often

Participant Evaluation

- 9.2 C. I liked using the interactive technology
- 9.1 G. I am planning on participating in future Community Design Workshops (and will bring a friend!)
- 8.5 E. Today's workshop helped my thinking about this project
- 8.1 D. I liked having small group conversation
- 7.8 A. Today's workshop was successful
- 7.7 B. I liked the format of this Community Design Workshop
- 7.7 F. I felt my concerns and ideas were heard and valued
