Emery Unified  **nexus partners**
SCHOOL DISTRICT
Where partners power student success!

- Involve **broad representation** of Emeryville and EUSD stakeholders to help:
 - Design a project that best supports Emeryville's educational, recreational and social program goals;
 - Create community understanding of and connection to the Emeryville Center of Community Life
- **Work collectively across diverse interests and perspectives** to end racist and classist practices, in order to sustain a healthy and vibrant Emeryville
- Identify and allocate resources that support opportunities to **create relationships** across traditional community divides

Community Engagement Goals

- Regard each person's input as important
- Be possibility-driven!
- If you are shy, push yourself to contribute; if you are not, allow room for others
- Speak one at a time
- Minimize side conversations
- Stay on topic...Use the parking lot!
- Everyone can support community engagement agreements
